

CLEVELAND VEGAN *wedding & large event catering menu*

about us

Cleveland Vegan Catering has been in operation since August 2012. We have expanded from renting a small commissary kitchen space to our own full-service café and bakery in Lakewood. Our catering team is busy preparing for events, special occasions, weddings, holidays, and everything in between.

We provide full-service catering, delivery & set up, and pick up options for all catering. For more information, send us an email at clevelandvegan@gmail.com or call our catering line at 216-832-7440.

For all catering orders, we typically need a minimum of one week notice; more notice for larger orders. Sometimes we can accommodate an order in less time if the catering team is not already booked.

Please note that we can work with any dietary need or concern. This menu indicates which items are gluten free, nut free, and soy free.

Our kitchen & bakery are not free of gluten, nuts, or soy. We cannot guarantee there is no cross contamination in items, but will take extra care in the preparation of all menu items.

Please inquire for more information.

Cleveland Vegan is a 100% vegan café, bakery, and full-service catering company—free of all animal products and by-products.
